

# Above ground tanks

**Orchard Watercare tanks are backed with a 10 year warranty!!**

Our tanks are rotationally moulded as a 'one-piece' tank, at no stage is the roof removed and screwed back on.

A carefully programmed manufacturing process ensures maximum wall thickness at the base - where it needs it the most.

## Features

- Manufactured from UV stabilised polyethylene ensuring the tanks are tough and durable
- Ribbed design provides added strength and attractive appearance

### WRAS Approved Potable Water Tanks

The black WRAS Approved Potable Water Tanks are suitable for storage of potable water when fitted with the Byelaw 30 kit. (Byelaw 60 kit for Scotland)

**Please specify when ordering.**
